

# **Privacy Policy for KickTop App**

## **Introduction**

Thank you for using our application (hereinafter referred to as “the App”). We highly value your privacy and are committed to protecting your personal information. This privacy policy aims to clearly explain how we handle matters related to your privacy.

## **Information We Collect**

We respect your privacy and **do not** collect any personal information or device data. The App does not require you to provide any form of personal data, nor does it automatically obtain any information related to you.

## **Third-Party Services**

The App does not integrate any third-party analytics, advertising, or data collection services. Additionally, we do not transmit your usage behavior or any other information to external service providers.

## **Children’ s Privacy**

The App is also suitable for children. Since we do not collect any data, it fully complies with relevant laws and regulations regarding children’ s privacy protection.

## **Data Security**

As the App does not collect, store, or transmit user data, there is no risk of data breaches or security issues.

## **Updates to the Privacy Policy**

This privacy policy may be updated as needed, but we will always adhere to the principle of **not collecting user data**. If we make any changes to this policy, we will notify you via this page.
